

If you want to feel safe, your parents should check your hair regularly, at least once a week.

To prevent against head lice use NITOLIC® Prevent Plus.

nitolic®

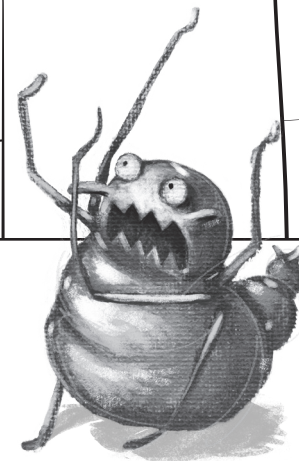

1, 2, 3
and your
head is free!

NITOLIC® advises how to say goodbye to head lice effectively.

We have been the specialists in head lice treatment from 25 years.

Coloring book

There we are - head lice. When we move on your head, we cause itching and scratching.

We attach our eggs (so called nits) to your hair with a special glue.

One thing that we're really scared of is NITOLIC®

Why?

NITOLIC® eliminates head lice and nits after one treatment only!

Every mother likes NITOLIC®. The treatment, which is effective and safe for children and the environment.
